SEPTEMBER 2019 NEWSLETTER

DELIVER-MS

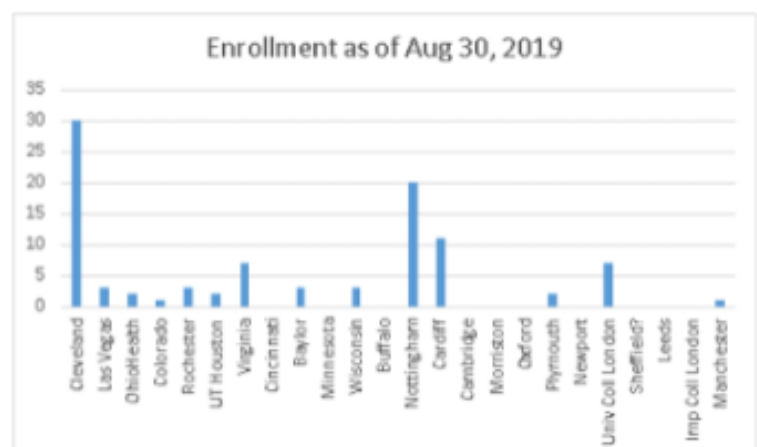

WELCOME TO THE DELIVER-MS NEWSLETTER 📍 Sites open 📍 Sites yet to open

Recruitment is now well underway with only a handful of sites yet to open. While the UK colleagues enjoyed the summer, our US colleagues edged into the lead with 54 vs. 41 participants.

TOP RECRUITING SITES

Cleveland (30), Nottingham (20) and Cardiff (11) all had a head start, having opened in early 2019. But late starters UCL took off at pace, having consented 7 participants in 3 months.

We recently welcomed new sites: Oxford, Imperial College London, Cincinnati and Wisconsin, Maddison.
